First to Cross Plate in the Great Game.

Fifty Thousand Persons Rush Into Pittsburgh to Secure Early Seats.

Pittsburg, October 8.—Thousands of persons on all trains from every part of the country arrived early today to see the Detroit Tigers and the Pittsburgh Pirates battle for the world's championship. Three thousand Detroiters came in last night, including Mayor Philip Breitmyer and Governor Warner.

Hundreds camped at the entrance to Forbes field throughout the night. Early this morning fifty thousand persons fought to buy the twelve thousand bleacher seats offered. The weather is ideal. The Pirates are confident of victory. Clarke contending that he has greater strength behind the bat and in their shortstop, and a heavier hitting first baseman. He believes too, that his outfield is equal to that of the Tigers. Jennings is optimistic, asks an even break of luck, and being somewhat superstitious, he said: "The third time is the charm, so you see we are due to win, for we lost the other two times. I have nothing further to say except wait us."

The National commission held a meeting this morning. Notwithstanding the glow of enthusiasm apparent throughout the city, sadness is felt by the members of the baseball supreme court. Ban Johnson had been the directing and dominating figure in all championships; Chairman August Hermann has settled the appeals when the other members disagreed but Harry Pulliam was one lofty tribunal to whom the humblest did not apply for justice in vain. This feeling prompted the commission to give ready acquiescence, to Hermann's suggestion for the adoption of the following memorial: This series is the fifth played under the auspices of the National Commission. This year marks changes. Harry C. Pulliam, one of the originators of these series, has passed away. His counsel in this body will be heard no more. Organized baseball never had a more zealous and devoted sponsor. In order therefore, that his memory may forever remain green, it is directed by the National Commission that a memorial card be printed and that on the day scheduled for the first game of the world's series, these cards be distributed to all eligible players in the contesting clubs, official umpires, scorers, business representatives, as well as the owners of the contesting clubs and press. That on the same day each year there be placed on the grave of Harry C.

Pulliam, at Louisville, Kentucky, floral wreaths as a token of esteem in which he is held by everyone connected with organized baseball.

By order of the National commission, B. B. Johnson, John A. Heydler, August Hermann, Chairman, John E. Bruce, Secretary.

COBB SCORES FIRST RUN.

As carded Babe Adams was sent to the mound by Clarke, with the reliable Gibson behind him, while Mullin, the Tigers star twirler was out for the Americans, with Schmidt back of him. D. Jones singled; and was doubled by Bush. Cobb was passed and scored the first run.

CLARKE GETS HOME RUN.

In the fourth Fred Clarke sent the thousands wild by driving out a home run to the left field bleachers. In the fifth Delaney's error gave Adams a life; Wilson was passed and Gibson doubled Moriarty fell down on Adams little rag. Two runs.

The score:
Detroit 10 0 0 0 0 0 0 0 1 6 4
Pittsburg 0 0 0 1 2 1 0 0 4 5 0
Batteries—Detroit, Mullin and Schmidt; Pittsburg, Adams and Gibson.

PIONEER

Resident of Lima Died Last Evening.

Death Comes to David G. Appias at His Home on North Street.

Had Been an Invalid for a Number of Years—Funeral Will be Held at Residence Saturday.

Into the realm of the Great Beyond passed the soul of one of Lima's pioneer residents last evening, when after the close of a righteous and well spent life devoted to the threefold service of country, man and God, death came to David G. Appias at his home at 824 west North street.

For the past five years Mr. Appias has been an invalid. Recently his condition changed for the worse and he has been gradually growing weaker. The visitation of the death angel, however, was hardly expected, by even the immediate relatives. Peacefully and quietly the end came. Life's race had been run. Bright's disease and complications were the cause. Mr. Appias was born March 28th, 1826, at Lounfou, Wittenberg, Germany. His parents David and Rosanna Appias came to America in 1822, settling near Sidney in Shelby county. In 1854 Mr. Appias came to Lima, where he has remained ever since, with the exception of the time that he was at the front in his country's defense. For the past forty-five years the family residence has been at 824 west North street.

At the breaking out of the War of the Rebellion, Mr. Appias enlisted in the Fifteenth Ohio Volunteer Infantry, serving under Captain Cagy for three months. At the expiration of his term of enlistment he re-enlisted in the Sixty-sixth Illinois Western Sharpshooters with Captain Taylor, under Col. Bourk for three years. He was wounded at the battle of Rowe's Cross Roads, but served until the close of the war. Mr. Appias was educated in the German and English language and was a shrewd business man. When the deceased first came to Lima, he learned blacksmithing in the shop which he afterward bought. This proved a paying investment for the property, which was located next to the opera house block largely increased in value in a few years. Mr. Appias was the owner of the business block in which Burke's Cigar store is located and possessed other valuable real estate.

On January 2, 1866, Mr. Appias was married to Mary L. Blair. To this union eight children were born, seven of whom are living. Mrs. Appias preceded her husband to the Great Beyond twelve years ago. The surviving children are Mrs. Henry Seebers, Miss Bertie Appias, Miss Clara Appias, Frank, Al D. Brice and Lloyd All are residents of this city. The last named left only yesterday upon his vacation, never realizing that his father's death was so near at hand. He went to Pittsburgh with the expectation of seeing the world's championship series of base ball games and the sad tidings will reach him at his hotel this morning. Mr. Appias has one brother living, Mr. John Appias, of Shelbyville, Indiana.

The deceased was a member of the Market St. Presbyterian church, being deeply interested in religious matters and living the life of a true Christian.

He was a member of Matt Armstrong Post, G. A. R. and that organization will participate in the funeral services.

The funeral will be held Saturday afternoon at 1:30, the services taking place at the late residence. Interment will be made at Woodlawn.

THE ELKS

PLACED THE AXTELEERS ON EIGHT NEW CANDIDATES.

OFFICERS AND TEAM WILL EX-EMPLIFY WORK AT SPRING-FIELD OCTOBER 20.

The Elks of Lima Lodge No. 51, held a very enjoyable session last evening, and after initiating eight candidates into the mysteries of the order, held an informal social session in the banquet room, where the House Committee had everything in readiness for the members and their guests. The attendance was unusually large, there being many visiting members present. The eight new members who do not the axteleers at this session were Messrs. Charles W. Meyers, Fred M. Laughlin, Paul C. Walker, Asa Carr, U. M. Shappell, and T. B. Bussert, Jr., of this city, and N. W. Cunningham, of Bluffton and B. W. Dalk, of Delphos.

Mr. Frank A. Hitchcock, one of the former officers of Lima lodge who is now stationed at Springfield, where he is officiating as assistant to Superintendent W. M. Lockhard, of the Detroit, Toledo and Ironton railroad, was present at the session last night and delivered to the officers and members of Lima lodge an invitation to visit Springfield lodge No. 51 on Wednesday, October 20, at which time Springfield lodge will receive a class of candidates and the ritualistic work will be exemplified by the officers and team of Lima lodge.

Among the out of town members who were here last night were Messrs. Calvin Miller, Meda Schenk, W. J. Steinhilber, Ollie Rossette, Harry Goebel and Carl Roth, of Delphos; former county Commissioner W. S. Wright, of Marion township; George H. Lewis, of Bluffton; Mr. Hunter and J. M. Hemert, of Wakarusa; Harry Ingledue, of Colorado Springs, Colorado, and Messrs. Campbell and Conway, traveling salesmen who are guests at the Manhattan hotel.

When the officers of Lima lodge make their trip to visit Springfield lodge it is quite probable that a special car will be run over the Ohio Electric line in order that they may be accompanied by members of the lodge who desire to make the trip. Springfield has one of the best lodges of Elks in Ohio and those who contemplate paying this lodge a visit are anticipating a splendid good time.

State Eats Durum Wheat.
Grand Forks, N. D., Oct. 7.—In compliance with a proclamation of Governor Burke, North Dakotans ate durum wheat only. The proclamation was issued in compliance with a request from the grain growers of North and South Dakota and Minnesota for the purpose of establishing durum as a bread grain. The day was generally observed throughout the state. All bread and wheat foods were made of durum, and the sales of that quality of flour were heavy in consequence.

Restraints New Freight Rates.
Jackson, Miss., Oct. 7.—On application of the Yazoo & Mississippi Valley railroad, Judge Henry C. Niles of the federal court granted a temporary injunction, restraining the state railroad commission from enforcing new freight rates on uncompressed cotton. The injunction will be heard here on Nov. 4. All other railroads in the state will join in the proceedings. The new rates are alleged to be in violation of the federal constitution.

Italians Honor De Verrazano.
New York, Oct. 7.—Contending that in the discovery of the Hudson river, as in the case of the north, 2,000 Italians, smothered in flags, bunting and gay uniforms, paraded down Broadway to the Battery, where they unveiled a statue of Giovanni De Verrazano, whom historians describe as the first transatlantic voyager to arrive in New York harbor.

Pony Cart Firm in Trouble.
Urbana, O., Oct. 7.—The Walborn-Riker company of St. Paris, employing 100 men, went into the hands of receivers upon the application of Freeman Riker. The company manufactures pony carriages for all countries of the world and its financial embarrassment created a surprise in financial circles.

ANOTHER JAIL DELIVERY PREVENTED BY POLICE

Prisoners Morgan and Jones Again Close to Liberty

Four Bars Had Already Been Severed and a Saw Was Within Reach.

Vigilance of Police Frustrated the Plan.

Morgan Is Still a Prisoner at the Police Station and Jones is Returned.

Late this afternoon the facts leaked out from among the prisoners who are confined in the county jail that another jail delivery was attempted in this city last night. The delivery, if it had been executed as planned, meant a break for liberty on the part of Murderer John Beam, Edward Morgan, the convict witness who is again here from the Michigan City, Ind., penitentiary as a witness before the grand jury, and by Myron Jones, the alleged burglar, who is being held here to answer to the charge of having burglarized the home of Attorney O. O. Barr, several months ago. All of these important prisoners figured prominently in the attempted jail delivery at the Allen county jail last August and all have testified before the grand jury this week on the investigation of that attempted break.

After Beam Jones and Morgan had given their testimony before the grand jury on the attempted jail delivery at the Allen county jail, they were taken to the city prison instead of the county jail in order that they might be separated from other prisoners who had not yet testified. This morning Beam and Jones were returned to the county jail but Morgan is still a prisoner at the police station. After Jones and Beam were returned to the county prison it was given out by other prisoners at the county jail that a delivery of these three prisoners had been planned and was to have been executed at the police station last night but was prevented through the vigilance of the police who separated the prisoners and locked them up in separate cells early in the evening.

The story as given to the police and to the News this afternoon was to the effect that Jones, when brought to this city from Springfield several weeks ago, was locked up in the city prison, pending his preliminary hearing in mayor's court and while confined there he secured some saws and sawed four of the bars in two in the rear part of the enclosure which surrounds the cells and in which the prisoners are permitted to move about when not locked in their cells. Jones is alleged to have hidden one of the saws somewhere within the city prison in the vicinity of a closet and when he was returned to that jail after he had been before the grand jury, he succeeded in locating this saw and it was planned that he and Beam and Morgan would break for liberty last night. Investigation by the police today proved that four of the bars in the locality described by Jones had been sawed in two and a former prisoner named William Kennedy is stated to have informed the police that he witnessed the sawing of the bars by Jones at the time Jones was in the city prison awaiting a hearing. Kennedy having been a prisoner at the same time. At the hour of this

writing a search is being made for the hidden saw in the city prison.

Morgan is still a prisoner in the city prison but Beam and Jones are now both in the county jail.

CRISIS ARISES IN IRISH CAUSE

Veto Power of the Lords the Only Obstacle to Home Rule.

NATIONALISTS TO NO LIBERALS

Curbing of Power of the Upper House of Parliament is an issue in the Approaching General Elections. Redmond Dispatches Delegate to United States to Explain the Situation.

London, Oct. 7.—T. P. O'Connor, member of parliament, will sail shortly for the United States at the request of John E. Redmond, the Irish leader, to explain the political situation here to the supporters of the Irish cause in America and to appeal for funds to carry on the struggle for home rule.

The Nationalists regard the approaching general elections as one of the most critical periods in their history, and the full power of their organization will be utilized in helping the Liberals to the house of lords of the power of veto, which they claim is the sole remaining obstacle to home rule.

The Nationalist point of view is set forth in an appeal Mr. Redmond is forwarding to M. J. Ryan of Philadelphia which is as follows: "A great crisis in the Irish struggle has arisen. The house of lords is engaged at this moment in destroying the Irish land bill, with its promise of closing the land war a century and completing the restoration of all the land of Ireland to her people and the banishing forever of misery and famine from the west of Ireland. General elections are certain within the next two weeks. In these elections the veto of the house of lords will be at stake, and with the veto of the house of lords will disappear the last obstacle to home rule. In this fight Ireland will have arrayed against her all the forces of landlordism, wealth and privilege."

WINNERS OF BALLOON RACES

St. Louis III For Distance and the New York For Endurance.

St. Louis, Oct. 7.—Officials of the Aero club of St. Louis are preparing the official result of the two balloon races which started here. Results gave the honors of the chief event to the St. Louis III, S. L. Von Phul pilot, and the New York, C. B. Harmon pilot. The former won the first prize for distance, besides lifting the Lahm cup from Captain Chandler of the United States army, and the latter took endurance prizes and established a new American height record of 24,200 feet.

Last Balloon Descends.
Mobile, Ala., Oct. 7.—The St. Louis balloon Centennial, with H. E. Honeywell and J. W. Tolland, alighted at Silas, Ala., Washington county, just north of Mobile, after having been in the air 48 hours. Honeywell and Tolland are now in this city.

Admire American's Pluck.
Geneva, Switzerland, Oct. 7.—Praise for Edgar W. Mix's victory is heard on all sides, the winner of the international balloon race being extremely popular in Swiss aeronautic circles. The American victories in aeroplaning and ballooning are the subject of interesting discussion and comment.

St. Louis in the Field.
St. Louis, Oct. 7.—Following the receipt of a dispatch telling of the winning of the international balloon race by E. W. Mix, an American, the Aero Club of St. Louis announced it would try to get the next international balloon race and the international aviation races.

Two Stores Burn.
Van Wert, O., Oct. 7.—The department store of Bonewitz & Company and the hardware store of Jones & Tudor were destroyed by fire. The loss is \$300,000; insurance \$175,000.

FILES PETITION FOR INJUNCTION

Independent Can Identify Wants His Name Off Ballot.

CLAIMS LATTER IS INELIGIBLE

Another interesting incident in the Warm Municipal Campaign Now Raging at Louisville. Both Parties Being Split and Each Having Two Tickets in the Field—Negro an Issue in the Campaign.

Louisville, Ky., Oct. 7.—George D. Todd, Independent Republican candidate for mayor, instituted an injunction suit in the Jefferson circuit court against Mayor James F. Grinstead, who is the nominee of the regular Republicans to succeed himself. In his petition Mr. Todd declares that Grinstead is ineligible to hold the office of mayor, having been elected for one term, and quotes the constitutional prohibition. He declares that if County Clerk Gahhart is permitted to place Mayor Grinstead's name on the ballot as the Republican candidate, the voters will be misled to his (Todd's) disadvantage. He also alleges that in the event that Grinstead receives a plurality of the votes he will be declared ineligible, thereby rendering a special election necessary. The case will be heard Oct. 9. This proceeding is but an incident in the warm municipal campaign in many years, both parties being split and each having two tickets in the field. The negro enters largely into the campaign, and the Democrats, at least those on the ticket headed by William O. Head, a prominent tobacco warehouse man, have made this the paramount issue, and are asking for a "white man's government." The Citizens' ticket, a defection principally from the Head ticket, is headed by Hon. Owen Tyler, a prominent and wealthy business man.

KING'S MOUNTAIN DAY

Monuments Erected to Commemorate Victory of Americans.
Charlotte, N. C., Oct. 7.—"King's Mountain day," the anniversary of the battle of King's Mountain, S. C. in which 900 brave "mountain men" won a victory over the British forces numbering 1,200, on Oct. 7, 1780, during the struggle of the United Colonies for their independence from Great Britain, was fittingly commemorated in both South Carolina and Tennessee. On the battlefield a monument which has been erected by the United States government at a cost of \$30,000 was dedicated with appropriate ceremonies. At Fort Watauga, near Johnson City, Tenn., the point from which the men under Campbell, Shelby and Sevier started for King's Mountain, the daughters of the American Revolution dedicated another monument.

State Banks to Replenish Fund.
Enid, Okla., Oct. 7.—Representatives of Enid's State banks announced the draft of the state banking board assessing three-fourths of one per cent on average deposits for the replenishing of the bank guaranty fund would be paid on presentation. The assessment has been levied to replenish the guaranty funds now being used to re-establish the Columbia Bank and Trust company of Oklahoma City.

Made Sensational Escape.
Denver, Colo., Oct. 7.—Oscar E. Arthur Dryer, alias Oscar E. Drooge, wanted at Baybrook, N. Y., on a charge of embezzling \$10,000 of the funds of the New York state hospital made a sensational escape from the city jail here. While a confederate was sawing bars in two, Drooge held three fellow prisoners under control with a revolver his confederate had given him.

Admits Killing Father.
Terre Haute, Ind., Oct. 7.—Following the murder of Ralph Conover, Sr., in the doorway of his house, Ralph Conover, Jr., and George Greenleaf were arrested, charged with the murder. To the police young Conover admitted that he had decided to kill his father because of alleged brutal treatment members of the family had received.

MILLER

Assistant to Attorney General Denman, May Return

TO CONDUCT THE GRAND JURY WORK UNTIL CASE IS DISPOSED OF.

LETTER TO HIS CHIEF WILL BE FORWARDED.

NO FURTHER REPORT MADE TO GRAND JURY AS TO CHARGES AGAINST WELTY.

The grand jury has resumed its investigation of the regular grist of cases before it and for the time being there is nothing doing in the matter of the charges against Judge Klinger, Prosecutor Welty and the other court house officials and attaches who were censured for lack of harmony and co-operation in the blanket report which the members of the Grand Jury submitted to Judge Klinger day before yesterday. Judge Klinger announced yesterday afternoon that Prosecutor Welty was under suspicion and that the Grand Jury should make specific its charges of dereliction of duty against him before it took up any of the other work before it, no order was made by the court on this declaration and this morning, after advising with the grand jury for an hour or more, attorney S. S. Wheeler left the grand jury room and Prosecutor Welty returned to it and took up the work of investigating other cases immediately. It was given out by Mr. Welty, however, that he would insist on the charges against him being made specific and that he would demand an immediate and thorough investigation. It was further announced that a letter is being prepared to be forwarded at once to Attorney General Denman, asking that assistant attorney general Miller be returned to this city to conduct the grand jury investigations until such time as the Welty matter is adjusted.

THE REPORT

On Charges Against Prosecutor Welty Which Did Not Satisfy Judge Klinger

As stated by the News yesterday, the grand jury on convening at 1 o'clock, was requested by Judge Klinger to make a special report on the charges against Prosecuting Attorney Ben F. Welty, setting forth in specific terms the charges of dereliction of duty on the part of the prosecutor which had actuated the jurors to censure that official. As in his own case, Judge Klinger demanded that the dereliction of duty be fully and clearly defined. The grand jury retired and shortly after 3 o'clock returned to the court room and submitted the following special report:

To the Hon. William Klinger, Judge of the Court of Common Pleas, Allen County, Ohio.
Dear Sir:—

Complying with your instructions to us to formulate any charges we may have against B. F. Welty, Prosecuting Attorney of this County, the Grand Jury desires to submit this special report:—
We desire to supplement our report made to you yesterday in regard to the said B. F. Welty, Prosecuting Attorney, by saying that we did not find from the evidence before us that the Prosecuting Attorney had done any act which was criminal in its character, or which ought to subject him to a trial for failure to properly discharge his duties as Prosecuting Attorney, but the Grand Jury did find that there had not been that full and earnest co-operation by the Prosecuting Attorney with the other officers of the law of this county which the public have a right to expect and demand, and that this lack of co-operation has, as stated in our report of yesterday's date, grown out of petty jealousies and is, in our opinion, had received.

NO SALE LIKE THIS EVER HELD BEFORE. THOUSANDS OF DOLLARS' WORTH OF BRAND NEW FALL AND WINTER GOODS AT LESS THAN WHOLESALE PRICES.

Just one year ago the Boston Store first asked the people of Lima and surrounding towns for their patronage. We made the bid for your trade, backed by our determination and ability to undersell other stores. In spite of the fears of those who predicted that the prices at which we sell goods would prove ruinous, our business has been such a success as has had no equal in this section. We have proved that a store selling strictly for cash, and buying in great quantities can and does under-buy and undersell. "Values" are the cause of our busy business; values such as you see listed in this ad., and hundreds of others equally as good, but crowded out for lack of space.

AS AN APPRECIATION TO THE PUBLIC WHO HAVE HELPED US BUILD THIS BUSY, POPULAR, UNDERSELLING STORE, WE'RE GOING TO OFFER BARGAINS SUCH AS WERE NEVER OFFERED BEFORE, DURING THIS ANNIVERSARY MONTH (FOR 30 DAYS ONLY).

ion, such a dereliction of duty as to require a criticism by this Grand Jury.

Respectfully submitted, WALTER M. COONEY, Foreman Judge Klingner, on charging the grand jury to prepare a special report with reference to the charges against Prosecutor Welty, announced that the latter had been suspended from office and asked the jurors if they wanted to proceed with their work under the supervision of the assistant Prosecutor. The members of the jury conferred and requested that, in the absence of Prosecutor Welty, attorney S. S. Wheeler, of the law firm of Wheeler & Bentley, be designated as the acting state's attorney and the counsel of the grand jury. Mr. Wheeler was summoned and immediately went into session with the jurors.

When the above report was submitted to Judge Klingner he read it carefully and declared that it was still insufficiently explicit and ordered the jury to retire and to prepare a report in keeping with the demands he had made. The jury again retired and immediately adjourned to 9 o'clock Friday morning.

WELTY'S DEFENSE

Taken Up by Assistant Prosecutor O'Connor Who Circulates a Paper

This morning Assistant Prosecuting Attorney Bernard O'Connor took up his chief's defense by circulating a paper about the court house and securing the signatures of officials and deputies for the purpose of offsetting the report of the grand jury charging the Prosecutor with failure to give full and earnest cooperation with other officials of the county in matters pertaining to the full performance of duty. The heading of the paper and the signatures which were on it when Mr. O'Connor delivered it to S. S. Wheeler, to be submitted to the Grand Jury, were as follows:

"We, the undersigned officers, ex-officers and employees of Allen county, Ohio, certify that we have always received the full and earnest cooperation from B. F. Welty, as Prosecuting Attorney of Allen county whenever we called upon him for assistance, counsel and advice, and that we have never known him to stoop to petty jealousies.

Respectfully submitted, H. Van Guntien, Sheriff; C. W. Baxter, deputy; R. E. Bowersock, deputy; C. A. Graham, clerk; E. G. Mackenzie, deputy clerk; Daniel A. Bowers, deputy clerk; C. E. Augsberger, deputy clerk; E. C. Ackerman, Auditor, Stephen Kaliber, deputy auditor; J. W. Douglas, deputy auditor; H. N. Lamberton, Treasurer; Leonard Walther, deputy treasurer; Lillian M. Peat, deputy treasurer; Fred W. Zeitz, Recorder; Oliver Kies, deputy; Walter M. Scott, court stenographer; W. M. Bowman, assistant; R. W. Poling, bailiff; H. Bowman, court bailiff; C. R. Phillips, clerk to commissioners; A. L. Conrad, Commissioner; J. F. Cunn, county surveyor; J. E. Conrad, Junior, T. J. Edwards, Ex-County clerk; Thos. H. Jones, ex-County Treasurer; William Klingner, Judge Common Pleas Court."

PROPER BAN ON DAN CUPID

The experimental ban on mail at Chicago's postoffice general delivery windows against girls who haven't their parents' consent, wives who haven't their husbands' permission and who could not identify themselves under the names to which letters were addressed continues to cause consternation to thousands of people—principally women who call and are confronted with the new rule. Futile resentment has run high, and there has been much decla-

ration about infringement of mail at the general delivery section. Postoffice Inspector Stuart now is convinced that his experiment was needed, for he says that evil has come to thousands of girls under age who have received mail surreptitiously, and that the safety of thousands of homes has been imperiled by mail which husbands and wives have received in general delivery boxes. Now every person is compelled to sign a card before mail is delivered and investigation is made of the signer. Parents of girls are notified, and some radical changes in the domestic arrangements of love affairs have been caused by the abrupt order from Inspector Stuart. As usual thousands of innocent persons are suffering needlessly from the attempt to discipline guilty folk. Thousands of girls and women, whom circumstances compel to live in cheap boarding houses, and hundreds of foreigners whose livings are precariously got and who have trusted to the protection of Uncle Sam as a surety for honest delivery of mail untampered with, find themselves entangled in red tape.

Among the motor cycle riders who will leave in the morning on their machines for Dayton to attend the races, are William M. Thomas, Sam Crosshott, Francis Smith, Herb Parish, Bill Runsey, Harry Wills, Bob Swisher, Burl McCurt, A. J. Gladwell and Frank Mullenhour, and at the present time, it is not decided as to what races they will enter.

George H. Harkitt, of Pittsburgh, who has been here representing the Concrete Mixer, has returned to the city after a few days' absence.

The plaintiff avers that he has been in the employment of said defendant as a painter and that his duty is to paint the locomotives, cars and equipment of said defendant as the same are brought into the shops for repairs.

The plaintiff further avers that whenever or wherever ordered by his superior authority, the foreman in charge of the defendants paint shop that it was his duty to wash and clean off the boiler jacket of the locomotive in the shop to be painted. That it was plaintiff's duty to climb on the locomotive and wash the same with benzine, which had been provided for the same.

Plaintiff avers that in the operation of this work that no light or fire was allowed to be near, as this benzine which had been provided for the same was inflammable, and while performing his work the same was ignited by a torch, and he was se-

The Acid Test of Wool

Wool, like, gold, has an acid test. A piece of cloth boiled in caustic potash will completely dissolve if it's pure wool.

Every piece of cloth coming from the mills must be able to withstand this test successfully before it can be used for Clothcraft.

This is what makes it safe to guarantee every Clothcraft garment pure all-wool.

This is why you can depend on getting all-wool when you buy Clothcraft.

GOLFERS

WILL GO TO MANSFIELD NEXT WEDNESDAY.

The third of the series of inter-city golf club matches will be played between Shawnee and the Westbrook Outing Club at Mansfield on next Wednesday, when a big bunch of the locals, Taft-Rockefellers, will go over on the 1:00 Pennsylvania train. Mansfield won the match on its grounds and Lima won on the Shawnee links. This being the third and deciding series, the locals hope to pull off the percentage.

ENJOYABLE AFFAIR

Was the Opening Social at the Y. M. C. A. Building.

The Opening Social Evening held at the Y. M. C. A. Wednesday evening from 7:30 to 10 o'clock, was a very enjoyable affair. The crowd was not as large as the entertainment merited, but made it easy for the people to get from one part of the building to another. On account of the Cool Perry membership contest, the general idea of being on board of a ship, the guests of the evening being passengers were carried out upon entering, every one was requested to register, and they were given a "pass" to any part of the building. Many took the opportunity of visiting the bath rooms, and gymnasium, in which a basket ball game was played by two picked teams.

The orchestra music greeted the ears of the guests as they entered, and the appreciation of which was manifested by the people immediately going to the "upper deck," (hall) where the program of the evening was rendered. The different members were responded to at the ringing of the ship's bell. The first numbers rendered were selections by the W. C. T. U. Quartet and recitations and dialogues by Helen and Eugene Conner. This was followed by the basket ball game, after which Mr. and Mrs. E. G. Conner gave several selections in a very pleasant manner. They were followed by Miss Flora Gorman who read several numbers in a way so well known to her Lima audience. The entire program was well given and appreciated by the entire company. At the conclusion of the evening,

AMUSEMENTS.

The greatest play of the time and the most popular will be the attraction at the Faurot Opera House tomorrow afternoon and evening when Wagenhals and Kemper Co. offers Eugene Walter's "Paid in Full" with a cast that brings out in highest degree the superbly dramatic qualities the human sympathy, the comedy that make this the most appealing work the stage has seen. "Paid in Full" is a masterpiece. It drives across the footlights and grips with a power that is not once relaxed. It contains every factor that lifts a play to highest place in public favor. Consider its wonderful record and it becomes plain that everybody likes it.

Comparatively few people can afford the luxury of traveling abroad, but everybody can enjoy the delights of travel without any of its many discomforts by traveling via Lyman H. Howe's Travel Festival in the Faurot Opera House on Sunday and Monday nights. In his new program Mr. Howe will escort his travelers to the barbaric plains of Algeria, show them the curious customs, life and

dress of Moor and Arab, take them to the Montreal Ice Palace and winter carnival, then through the scenic grandeur of the Rockies in winter, into the heart of the great Canadian wilds, where the severe life of the lumber camp is shown. By taking them to the fighting top of a battleship he promises everyone an experience which can happen to few, for as a rule, the public is rigidly excluded there. The stirring and striking scenes on deck below impart a new sensation. In fact the entire program is extremely diverting and delightful, ranging from the sublimely beautiful scenes of sunset and moonlight on land and sea to the distinct novelty of dissolving portraits of English statesmen; a tour through the majestic Gorge Du Var, France, and many others.

ORPHEUM THEATRE

The Bristols Educated Ponies that are appearing at the Orpheum this week are the talk of the town. It is certainly a fine act, by far the greatest ever seen in Lima, and the greatest in numbers too, for there is no other animal act that is working sixteen ponies at the same time. The drill they go through is remarkable. This act will be a great treat for the children tomorrow afternoon. Don't forget that the matinee is at 2:30 sharp, and only five cents for the children on Saturday.

WIFE

SAYS HER OWN FATHER MURDERED THE DAUGHTER

Statement Comes up in Cross Petition for Divorce Filed.

Hartford City, Ind., Oct. 7.—In behalf of Mrs. Rae Krause, serving a life sentence for the murder of her step-daughter, Crystal Krause, attorneys have filed a cross-complaint to the divorce proceeding instituted

by Wm. R. Krause, in which Mrs. Krause alleges her husband murdered his own daughter but that in the belief that the court would be more lenient with a woman, they mutually agreed she should stand trial for the crime.

JOHN BEAM

REFUSES TO WALK FROM THE POLICE STATION TO COUNTY JAIL.

John Beam, the negro prisoner who is charged with first degree murder and who was removed from the County Jail to the city prison after giving his testimony to the grand jury in the attempted jail delivery case, was returned, together with the other county prisoners, to the county jail today. Beam refused to walk with the sheriff and deputy warden from the city prison to the county jail. Beam declared that to be paraded on the public streets in the custody of the sheriff would be detrimental to his case in court and

as he had money with which he could hire a cab he insisted on being returned to the county prison in a closed cab. Sheriff Van consented to the hiring of a cab.

JAIL DELIVERY

EFFECTED AT THE ALLEN CO. (IND.) JAIL LAST NIGHT.

This morning the local sheriff's office and police department were notified of a jail delivery which occurred at the Allen County (Ind.) Jail, at Fort Wayne last night. Only one of seventy-five prisoners who were confined in the jail succeeded in making an escape and that one was Perry Baker, aged 36 years, who had been arrested by officers of the Pennsylvania railroad and was charged with burglary and larceny. Baker effected his escape by sawing the bars out of a jail window.

The annual meeting of the Lima State Hospital commission will be held in this city on the 15th of this

AND JUDGE KLINGER**

**THAT SHERIFF'S OFFICE WAS IN

It requires only a few minutes chat
with almost any citizen of Lima and
Allen county that may chance to be
met on the street or in any public
place to ascertain what public sen-
timent is with reference to the at-
tempted jail delivery scandal which
the grand jury has been probing dur-
ing the week. The grand jury in
conjunction on all sides for taking

notice of the fact that the game of
politics and petty jealousies between
certain ones of the county officials
have been permitted to preclude the
performance of the plain duty of
some of these officials and there are
citizens who believe that the general
character of the county government
might be improved upon if it had
been possible for the grand jury to
have pointed the finger of criticism
at some of the other county offi-
cials who are ever on the alert to re-
veal in something that might be di-
verted into a channel where it might
reflect discredit upon some office or
officer.

The vast majority of the people
of the city and county believe that
the report of the grand jury, while
containing a blanket clause which
censured the sheriff and his deputies
along with the Judge of the common
pleas court, the prosecuting attorney
and secret service officer Andy Ernst
has vindicated and exonerated sher-
iff Van Gunten and his deputies. It
was alleged by Ernst, Welty and
Judge Klinger, after the discovery of
the attempted jail delivery, that
they had been told in advance that
there was a jail delivery frame-up
and that the sheriff's office was in
on the plot but these allegations
were not substantiated by the testi-
mony which was given to the grand
jury. It was on account of these
charges that sheriff Van Gunten de-
manded a full and unbiased investi-
gation and it was on account of

these charges that he petitioned Gov-
ernor Harmon to send a disinter-
ested officer of the state to this city to
superintend the investigation. The
investigation was held and the grand
jury found that no member of the
official family of Allen county was
implicated in the attempted jail deliv-
ery. That vindicated the sheriff
and his deputies for it is evident
that the grand jury was unable to
find through the testimony of either
Edward Morgan, Prosecutor Welty,
Judge Klinger or Andy Ernst that
the sheriff's office had been in on
the plot.

Millions of Stomachs Refuse to do
Their Work Properly.

All over this broad land millions
of stomach owners are being held in
humiliating subjection just because
they are so stubborn that they will
not accept a fair, square and broad
minded offer.

Life is short for all of us; it will
be shorter for those who let their
stomachs go from bad to worse.
Wm. M. Melville has a famous
prescription called M-I-O-N-A and he
believes so thoroughly in its remark-
able curative power that he says to
every owner of a distressed stom-
ach that he will guarantee M-I-O-N-A
tablets to cure acute or chronic in-
digestion and all stomach ailments
or money back, and the price is only
50 cents a box.

And still there are stubborn peo-
ple right in Lima who won't accept
this offer but continue to suffer from
gas on stomach, belching of sour
food, stomach pains, foul breath,
dizziness, biliousness and headaches
just because — just because — that's
all, there is no other reason.

M-I-O-N-A tablets stop dyspeptic ag-
ony in five minutes; they cure ob-
stinate cases of indigestion and turn
the old stomach into a new one in a
few weeks—or money back.
